Grant of Master Resell Rights

Upon purchase of the MAID EZ CLEANING Starter Kit - Premium Edition, Teresa Crews grants you a non-exclusive, non-transferable Master Resell Rights License. This license allows you to resell the digital product files to unlimited customers and keep 100% of the profits from your sales.

What Makes This Different from Personal Use: With MRR, you can sell these templates to other cleaning business owners. Your customers receive Personal Use rights only - they cannot resell the templates unless they purchase MRR from you.

What You CAN Do

You ARE Permitted To:

- **Sell unlimited copies** of these templates to other business owners
- **Keep 100% of profits** from every sale you make

- **Modify templates** with your own branding before resale
- **Sell on any platform** you own (your website, Etsy, social media, etc.)
- **Bundle with other products** as long as the total value exceeds \$27
- **Use as a bonus** for other products or services you offer
- **Create sales pages, ads, and marketing materials** using our product descriptions
- **Offer as a lead magnet** (free checklist) to build your email list, then sell the full kit
- **Set your own price** (minimum \$27 to protect market value)

What You CANNOT Do

You ARE NOT Permitted To:

- **Sell the MRR rights themselves** - Your buyers get Personal Use only (unless they purchase MRR from you)
- **Price below \$27 USD** - This protects the market value for all resellers
- **Use "MAID EZ CLEANING" name or logo** in your marketing without permission
- **Represent yourself as Teresa Crews** or the original creator
- **Sell on Amazon Kindle** - This violates Amazon's terms for templates
- **Include in membership sites** for less than \$27/month value
- **Upload to free download sites** or torrent networks
- **Claim original authorship** or remove copyright notices entirely (you can add yours alongside)
- **Sell as PLR (Private Label Rights)** - MRR is different from PLR
- **Give away the entire kit for free** - This devalues the product for everyone
