Understanding Your MRR License

What is Master Resell Rights (MRR)?

With MRR, you can:

- **Sell these templates** to unlimited customers
- **Keep 100% of profits** from every sale
- **Set your own price** (minimum \$27)
- **Sell on any platform** you choose
- **Customize with your branding** before selling

Your customers receive Personal Use rights only - they cannot resell unless they purchase MRR from you.

Getting Started in 5 Steps

Step 1: Save Your Master Copies

Create a folder called "MASTER COPIES" and save all original files there. Work from copies so you always have the originals.

Step 2: Customize with Your Brand

Open the checklists and templates. Replace "MAID EZ CLEANING" with your business name. Update contact information. Save these as your "FOR SALE" versions.

Step 3: Read the MRR License

Open 06_MRR_License/Master_Resell_Rights_License.pdf and read it carefully. Understand what you can and cannot do.

Step 4: Study the Reseller Assets

The 07_Reseller_Assets folder contains everything you need to start selling:

- Content Calendar - 30 days of social media posts
- Viral Content Blueprint - Video scripts that sell
- Monetization Map - Platform recommendations and pricing
- Marketing Kit - Copy-and-paste sales materials

Step 5: Start Selling!

Set up your sales platform (Gumroad, Stan Store, etc.), create your sales page using the Marketing Kit copy, and start promoting. Your first sale could be today!

Quick-Start Selling Guide

Option 1: Use the Templates for Your Own Business

Customize the templates with your business info and use them for your cleaning business. This is the same as the Basic Edition - you get professional systems without creating them yourself.

Option 2: Resell the Templates (MRR)

This is where the Premium Edition shines. Follow the Monetization Map to:

1. Choose a sales platform (Gumroad recommended for beginners)
2. Set your price (\$47-\$97 recommended)
3. Create your sales page using the Marketing Kit
4. Start promoting on social media
5. Make sales and keep 100% of profits

Option 3: Do Both!

Use the templates for your cleaning business AND resell them to other cleaning business owners. This creates multiple income streams from one purchase.

Important MRR Rules

Minimum Sale Price: \$27 USD - Never sell for less

What Your Customers Get: Personal Use License (not MRR)

What You Cannot Do:

- Sell the MRR rights themselves (unless you create your own MRR offer)
- Remove copyright notices entirely (add yours alongside)
- Use "MAID EZ CLEANING" name in your marketing
- Claim to be Teresa Crews or the original creator
- Upload to free download sites

Pricing Recommendations

- **Entry Level:** \$47 (good conversion, accessible)
- **Standard:** \$67 (positions as premium)
- **Bundle:** \$97 (includes bonuses you create)

Remember: You must price at \$27 or higher to protect the market value for all resellers.
